DETAILED ACTION

Election/Restrictions

The reply filed on August 6, 2001 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not elected species within metes and bounds of claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

While Applicant elected a species of the film forming polymer, a species *within* the claim limitations was not elected for the block chosen from polyurethane and polyurea blocks. The Examiner respectfully requests that if a formula is to be elected for the block chosen from polyurethane and polyurea blocks, that the Applicant define all variables of the formula.
